

Petition to the Government of Canada

Whereas:

- Old Age Security (OAS) payments were increased by 10% for seniors aged 75 and older in July 2022 and seniors aged 65-74 did not receive a 10% increase to their OAS;
- Over 2 million people were left out by the Liberal government's decision to create a two-tiered system of OAS;
- The rising cost of living impacts all seniors, not just those over a certain age and far too many seniors are living in poverty and can't afford basic necessities like groceries, rent and medication;
- Seniors built this country, they deserve respect and to retire with dignity;

Therefore, we the undersigned, Citizens of Canada, call upon on the Government of Canada to increase OAS payments for all seniors, including those aged 65-74.
