

Petition to the Government of Canada

Whereas:

- Federal benefit payments such as CPP, OAS, and GIS for seniors are delivered towards the end of the month;
- Many grocery stores and gas stations offer mid-month sales;
- Seniors cannot take advantage of these sales when they get paid at the end of the month rather than earlier and run out of money before then;
- Canadian seniors would benefit from changing the dates on which benefit payments are sent out so that at least one benefit is delivered at or before the 15th day of each month;

Therefore, we the undersigned, Citizens of Canada, call upon on the Government of Canada to change the payment dates of CPP, OAS, and GIS so that seniors can take advantage of retail sales that take place during the middle of the month.
